SOCIETY ARTS

INSPIRE. PRODUCE. CREATE.

Our home is a reflection of who we are.

THE OPPORTUNITY

What if our artwork could be more than décor...

... a chance to express ourselves?
...to share our story?

A WORLD READY FOR CHANGE

How we curate the art in our homes is due for a disruption.

SOCIETY ARTS™

The art creation studio redefining how people curate their lives through art.

FOUNDER

Ken Raasch

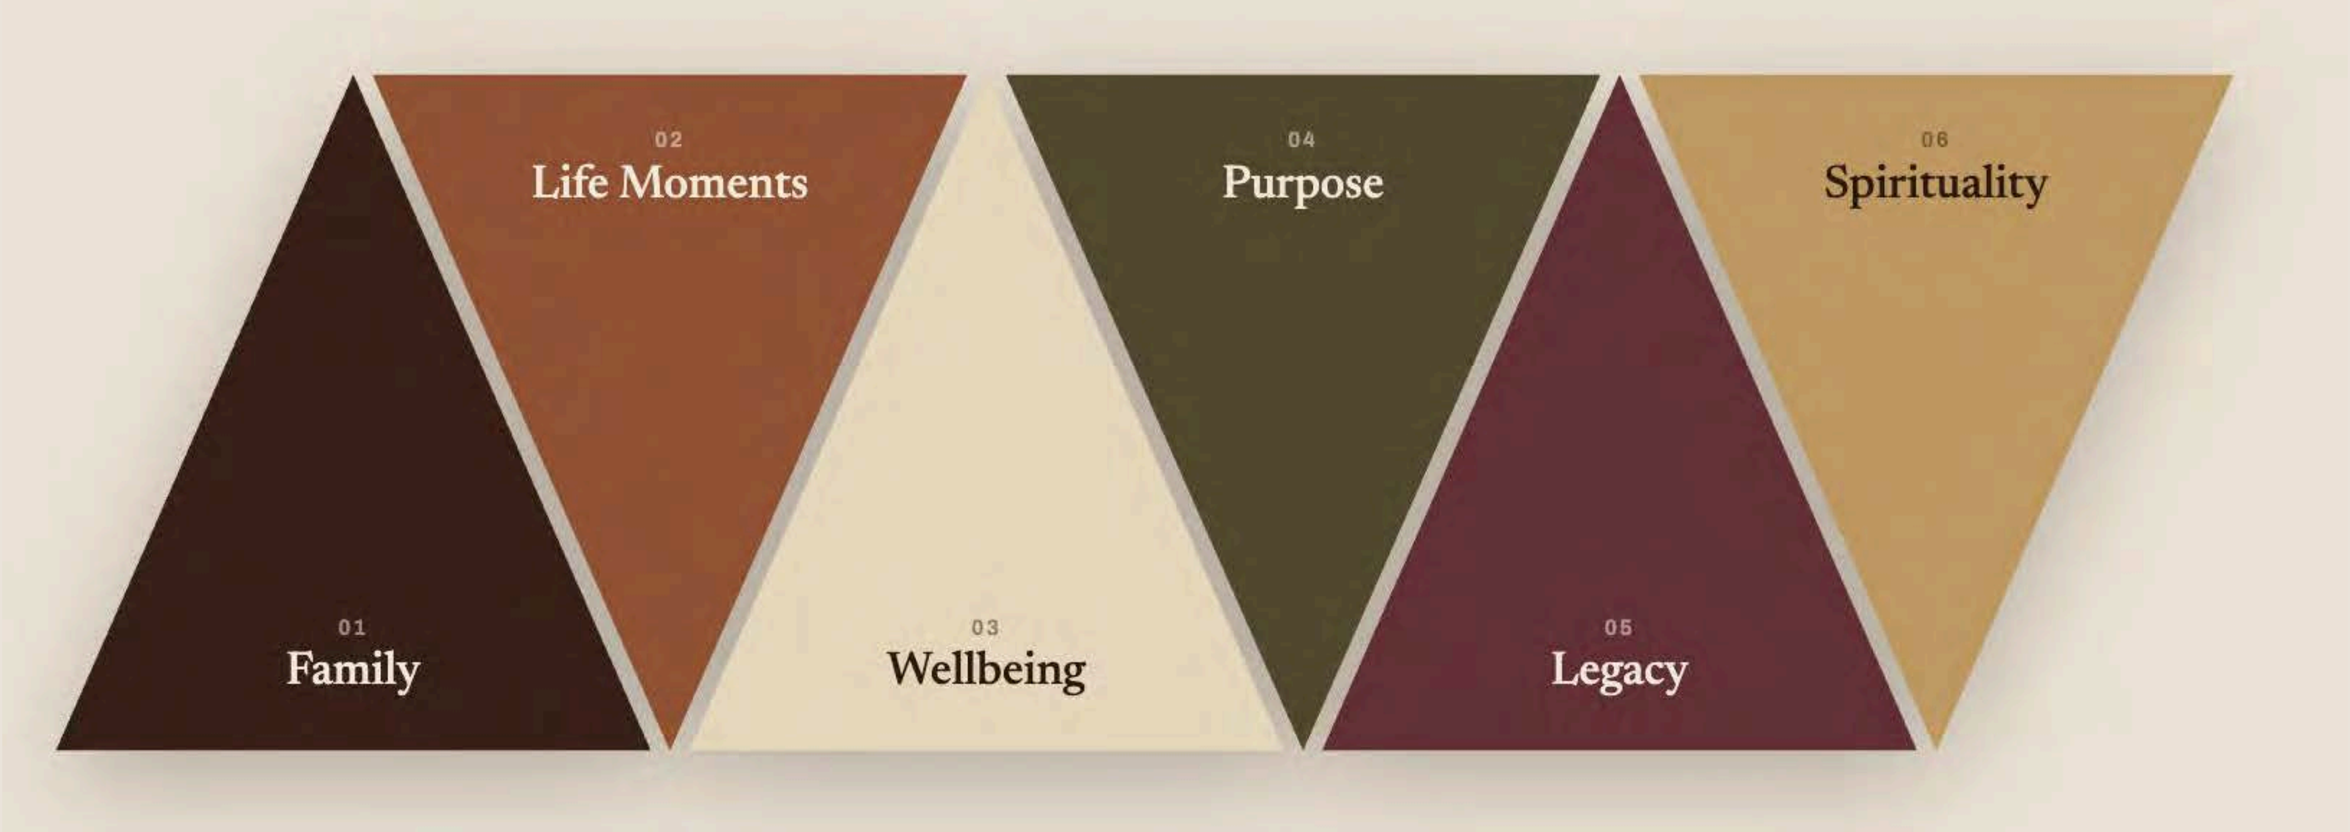

The visionary who transformed the Kinkade art brand into a $5B household name.

“What we choose to put on our walls can change our family’s life.”

Society Arts blends story and technology into a bespoke art creation studio.

The Studio helps shape stories with inspiration based on our company's core values.

RETAIL STRATEGY

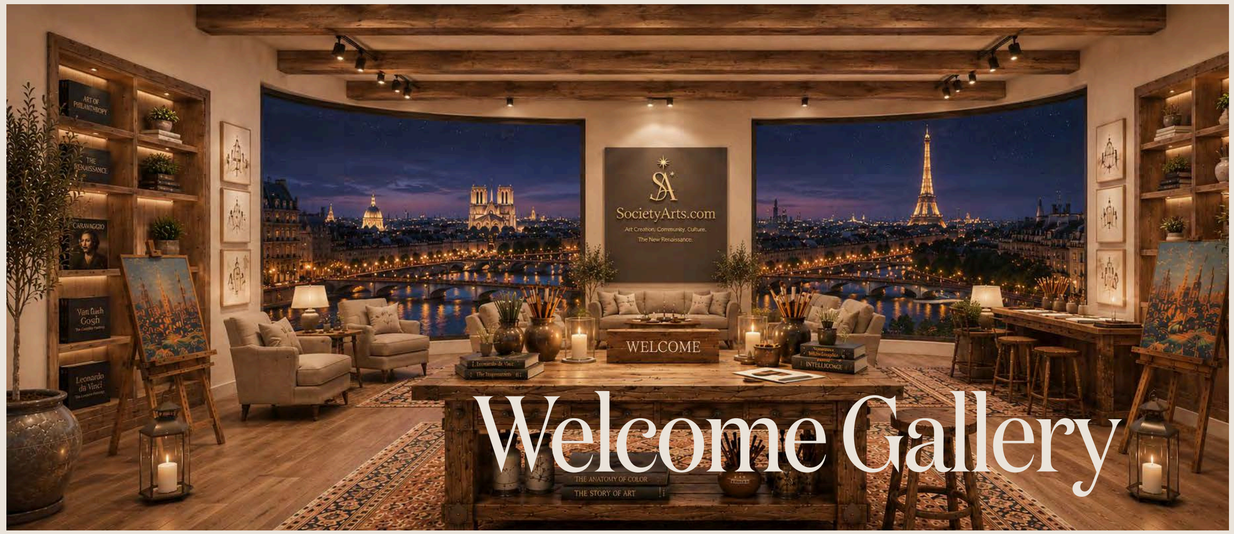

Four distinct pathways — each designed to bring people together to create meaningful art.

RETAIL STRATEGY - FOUR PRIMARY CHANNELS

1. Flagship Retail

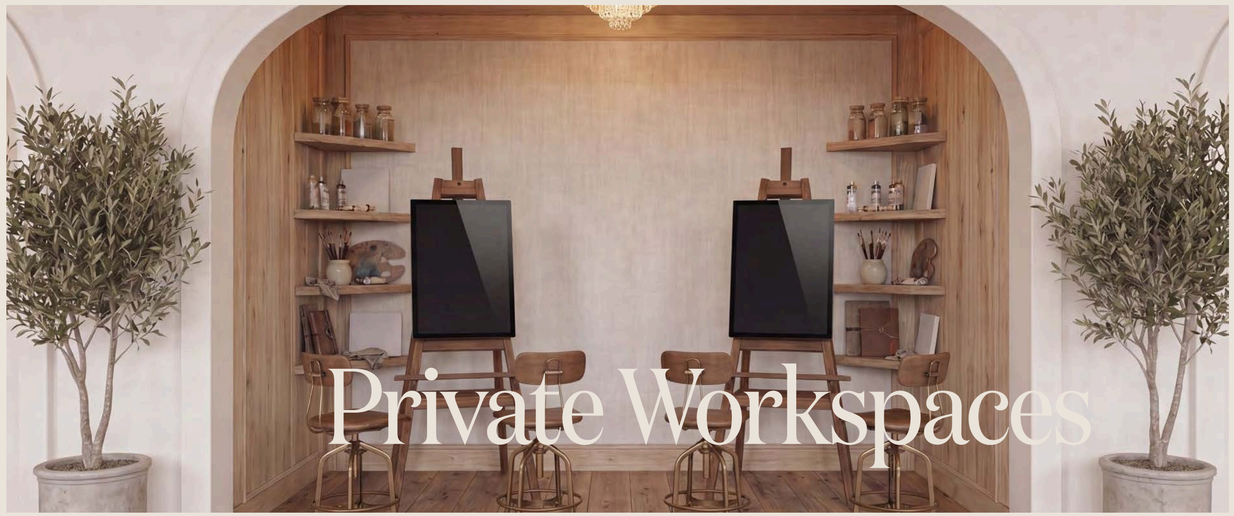

An inspiring world of possibilities to create meaningful art.

Welcome Gallery

Creator Studio

Private Workspaces

Workshop

2. Shop-in-Shop

Expert guided experience within synergistic retail and entertainment partner venues.

3. Affiliate Partnerships

Collabs to created co-branded experiences that support non-profits and brands, as well as high-affinity influencers/podcasters/publishers.

4. Art Designer Network

Specially trained entrepreneurs and influencers bringing the experience into homes, churches, schools, and communities to build business and create community that’s meaningful.

SADIE: Society Arts Design Instructor Expert

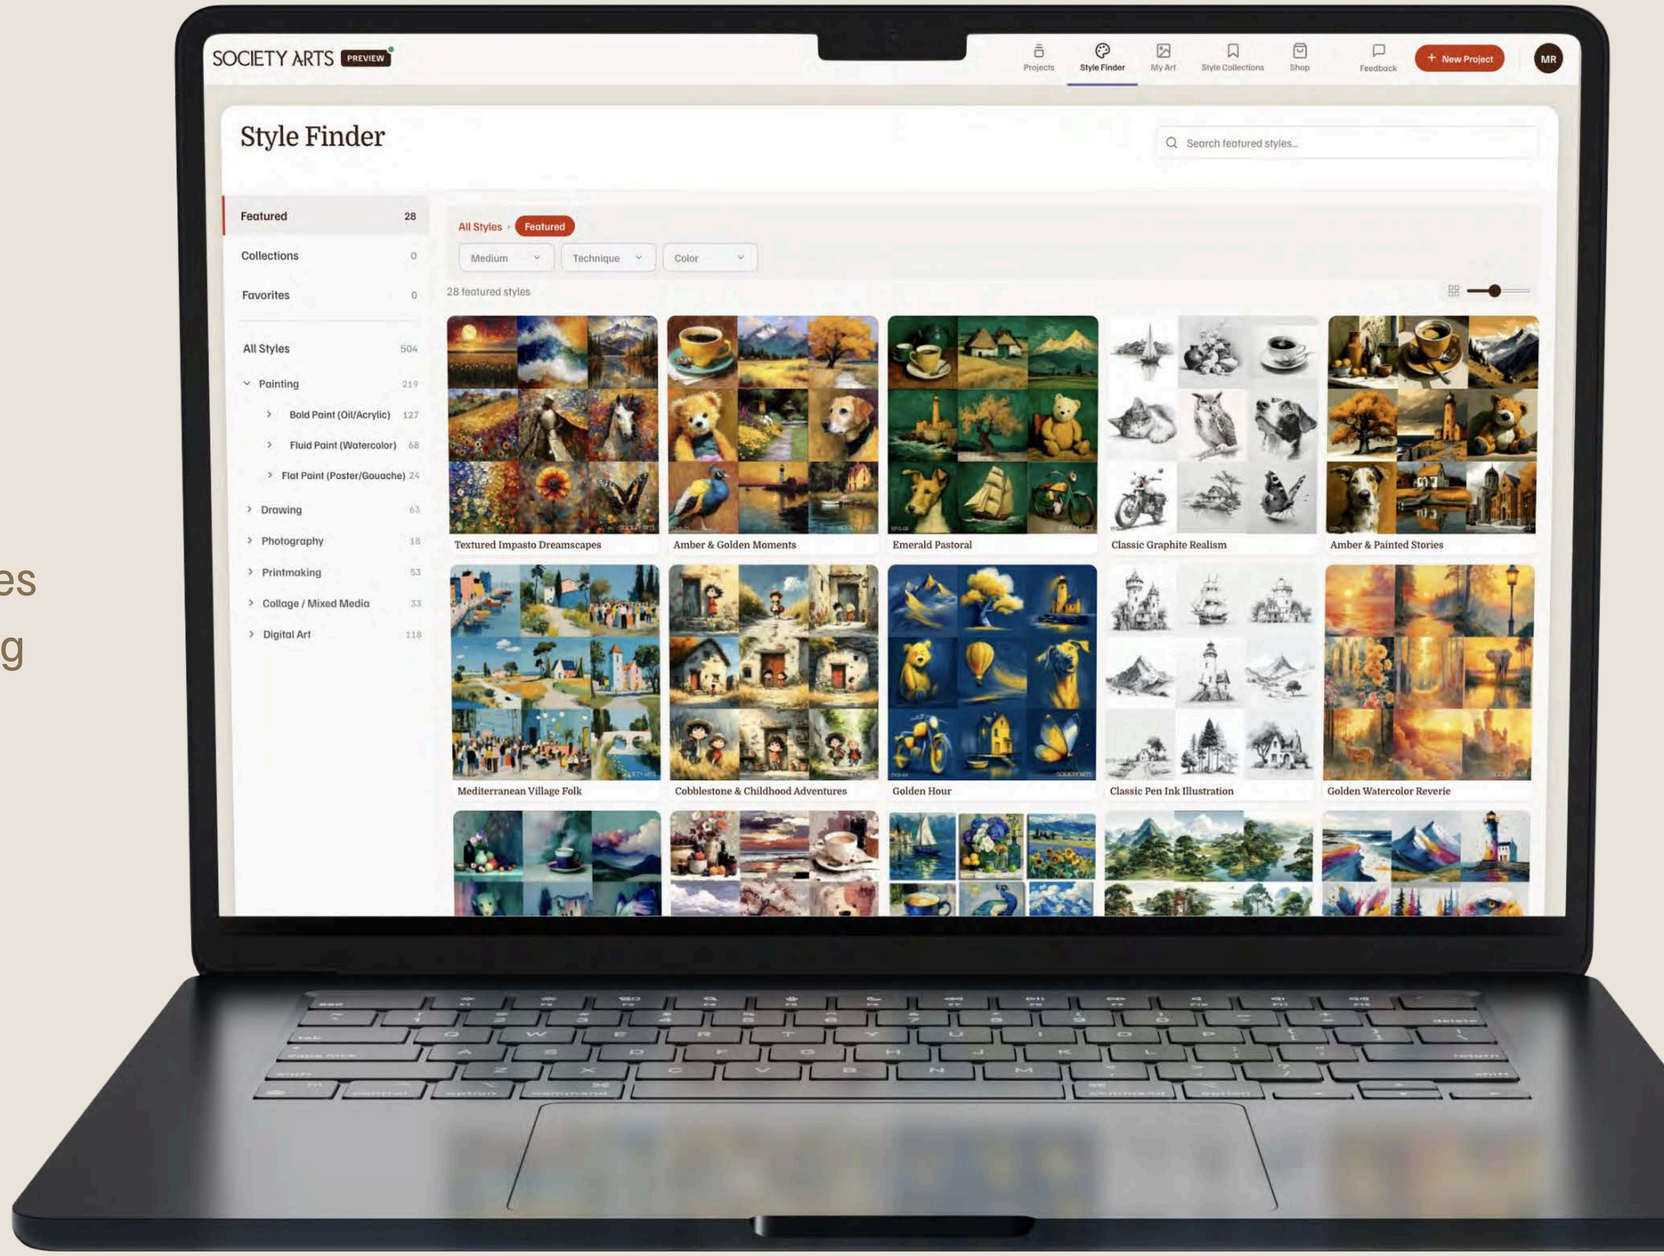

02

Style Finder

All Society Arts exclusive and original styles ensure each image is well composed, using the rules of light, coloration, tone, texture, composition, and many other nuances.

- Family-Friendly
- Wall-Worthy
- Valuable IP

03

Personalization

ArtBridge allows customers to create from their own imagination, adding personal names, places, hidden treasures, and their own signature to have a finished piece filled with meaning and value.

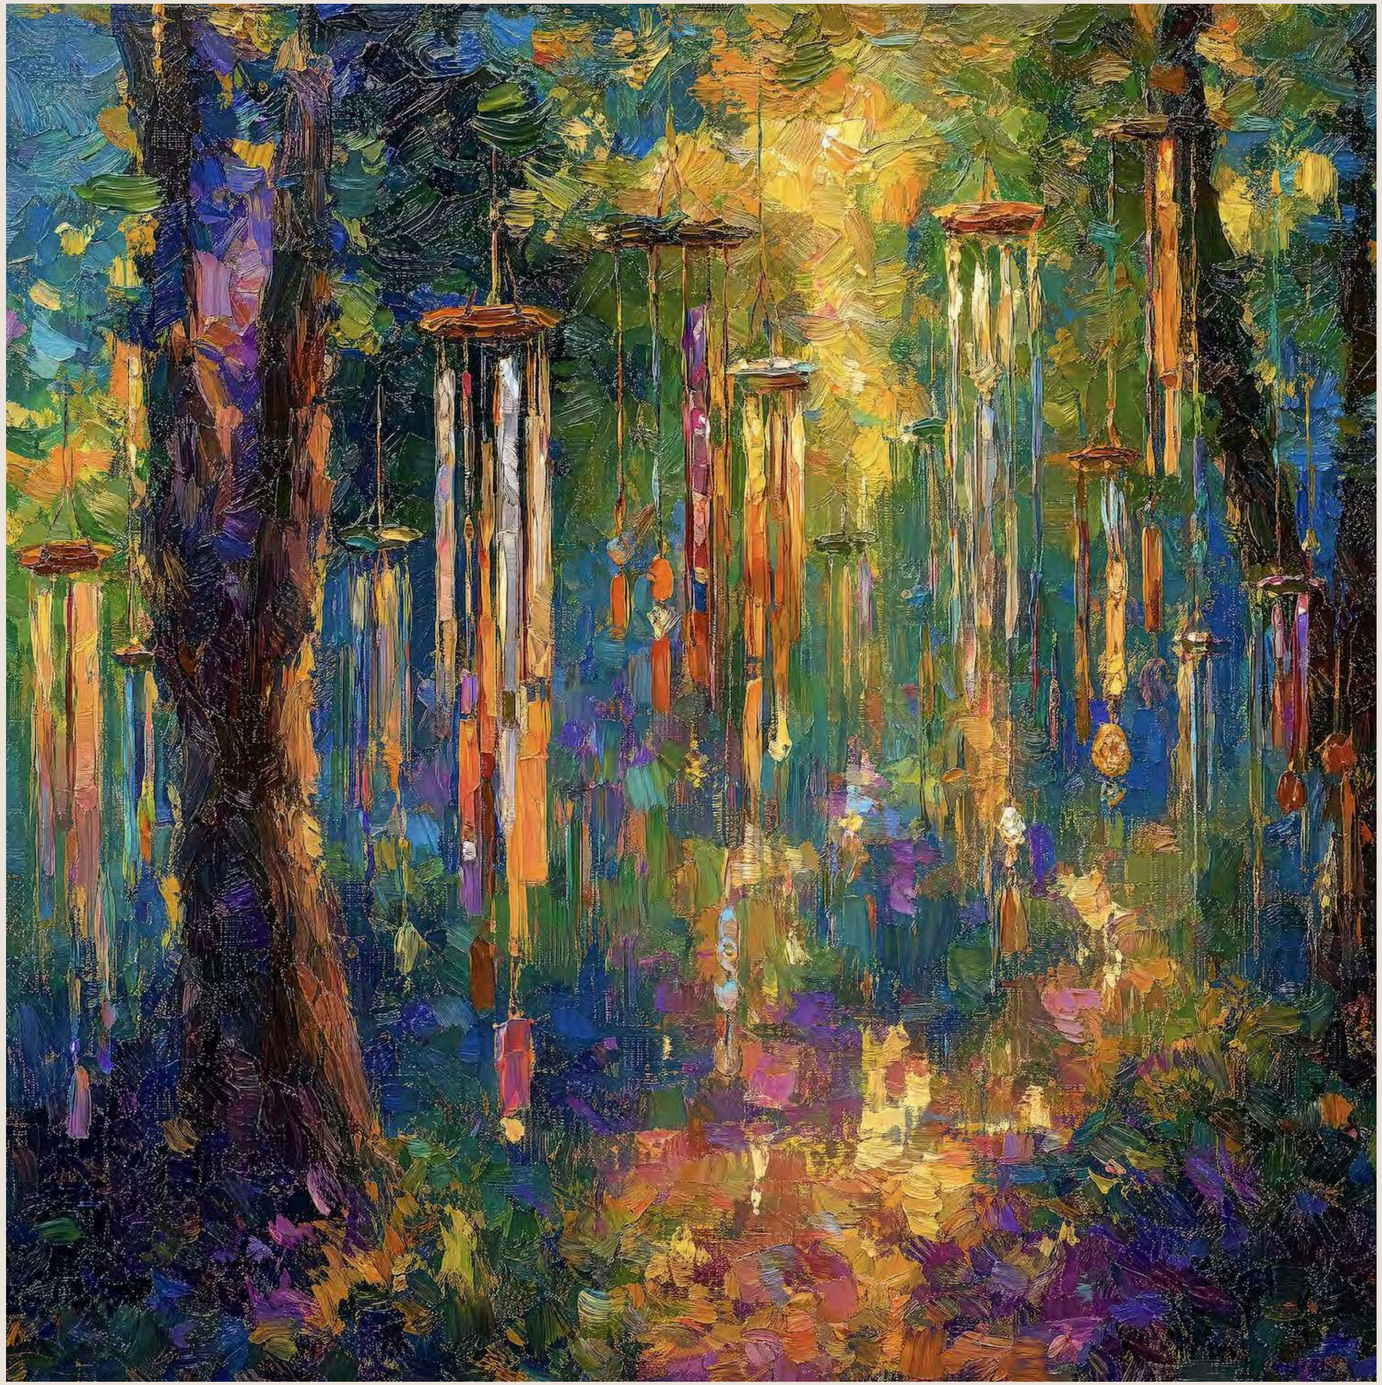

100% Original Styles

Every style is created in-house by Society Arts artists. We'll also showcase styles created by professional artists who will make a royalty any time their style is applied to a customer's artwork.

Dave's Wind Chimes

This work was created by a man who told a story of how his loneliness during the Covid 19 pandemic led him to hang wind chimes in the park behind his house. This simple act led to the whole community bringing more wind chimes to brighten the world.

Commitment to Art

Society Arts will never use copyrighted material to train or produce any original art. All customer art is owned by the customer who create the original piece.

The Perfect Cast

This work was created by two brothers to commemorate how their father loved to fly fish the Salmon River in Idaho.

SOCIETY ARTS · MISSION & COMMUNITY

The Society Arts Foundation

Art for the Good of Society

THE IDEA

The Society Arts Foundation is a nonprofit division of Society Arts, extending the brand's purpose beyond commerce — and beyond just those who can afford it — into communities that need it most. We'll start by focusing on children and bring them the joy, healing, learning, connection and inspiration that can change their life.

SIX FOUNDING VALUES · CUSTOM PLATFORM PORTALS

Family	Life Moments	Spirituality	Health & Well-Being	Purpose	Legacy

Art Sessions guided by art teachers in schools, churches, communities to give people the joy of seeing their family stories brought to life in beautiful artwork that expresses their identity and becomes beautiful, wall-worthy art.

Art Therapists, University Hospitals (like the new AWSOM) with an integrated art practice, as well as faith leaders who are trained in the platform can take the joy of Society Arts to all hearts in need of uplifting beauty.

Non-Profit Organizations can use the power of art to convey the purpose of their work in the world. Families can capture the stories of grandparents and other ancestors to preserve the true lives that shape our paths.
